RE: Case No. 2012-00499  
Alleged Failure of Longview Land Company, LLC to File Required Reports

Dear Sirs,

Our firm represents Jamie Donaldson who was appointed Trustee Manager of Longview Land Company, LLC in June, 2012, and who is also Longview's majority owner/partner. Mr. Donaldson previously informed the PSC in a letter dated April 22, 2013 that he had no advance notice of a show cause hearing held on January 23, 2013 penalizing Longview for failure to file annual reports. The previous manager, William Pulliam, died in January of 2011 and Longview's records were removed from its office pending settlement of Mr. Pulliam's estate.

Mr. Donaldson is working diligently to put the company's records in good order and to resolve this and other issues related to this entity. I have made repeated phone calls to each of you, but to date my calls have not been returned. I would greatly appreciate a call from someone at the PSC who is knowledgeable about this case to discuss this matter. Mr. Donaldson is making an all-out good faith effort to put Longview's affairs in order. The penalty that was imposed is

unnecessarily harsh under the circumstances of this case. Please call me so we can explore a resolution that is appropriate and fair for all concerned.

Thank you very much for your assistance in this matter.

Sincerely,

Christine N. Westover
